

Meath Green Infant School

PE and Sports Premium Report 2025 to 2026

Total amount carried over from 2023- 2024	£0
Total amount allocated for 2025 - 2026	£17,790

Key Indicator 1 - The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school. Total Spend: £5,190			
Intent and Implementation	Funding	Impact	Sustainability
All children have access to at least 2 sessions of PE a week (EYFS has one session). This is using Get Set for PE.	£340 for purchase of package	There has been an increase in enjoyment and participation from all pupils through this programme (evidenced through pupil voice).	Curriculum ensures progression of children's skills in PE.
All children have access to Jump Start Johnny throughout the school day for movement breaks	£350 for purchase of package	Regular movement breaks support focus on learning and keep children physically active throughout the school day.	Children's engagement reviewed annually.
Daily sensory circuits for children with additional physical sensory needs	£3500 for staffing and additional resources (trampettes, weighted blankets)	This is measured against the targets set in children's individual support plans.	Invest in training for additional staff members to run sensory circuits

All children have access to the running track for the Daily Mile	£1,000 for maintenance and upkeep of the running track	Running track remains usable	Will require ongoing maintenance
--	--	------------------------------	----------------------------------

Key indicator 2: The profile of PE and Sport being raised across the school as a tool for whole school improvement. Total Spend: £5,500			
Intent and Implementation	Funding	Impact	Sustainability
Lunchtime activities include more opportunities for physical activity through additional staffing and structured games e.g. weekly football matches.	£4,000 for additional lunchtime staffing	Increased opportunities for structured activities during lunchtime and keeping behaviour positive.	Needs additional funding in order to sustain this level of staffing.
Club Programme before and after school extended to increase the range and number of clubs. Parent survey in February 2026 identified that parents would like to broaden the range of sporting clubs offered.	£1,500 for maintenance of school equipment used by clubs including mats, benches, cones and fencing.	High uptake of all clubs offered, in particular by children eligible for Pupil Premium and SEND.	Need to continually review the clubs to make sure take-up is sustainable.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport. Total Spend: £800

Intent and Implementation	Funding	Impact	Sustainability
Ensure that all staff are trained, up to date with new guidance and pedagogy and able to provide safe PE lessons.	£800 for membership of Active Surrey	Staff have access to specific PE expertise via the PE Lead	May not be sustainable due to end of funding. Will need to explore role and scope of PE Hubs.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils. Total Spend: £3,000			
Intent and Implementation	Funding	Impact	Sustainability
New sports in Get Set 4 PE require additional purchase of equipment	£3,000 for equipment needed for gymnastics, net and wall games.	Equipment available so all children have equal access to games and sporting activities.	Continued need to re-stock equipment to provide the best opportunities for classes to participate together at the same time.

Key indicator 5: Increased participation in competitive sport. Total Spend: £3,300			
Intent and Implementation	Funding	Impact	Sustainability

Attendance and District Sports Event, including contribution to venue hire costs, transport for staff and contribution to running costs.	£1,300	Talented children able to compete against others from local schools and to experience competition in a sporting venue.	Dependent on future funding.
All children have the opportunity to participate in sports day at school.	£800	Children experience team sports as well as opportunities to compete at an age-appropriate level e.g. heats in the short sprint. Also funded medals for children and some additional staffing for the events.	Sports Day is an established event in our school calendar but finding ways to adapt e.g. really hot summers which impact on how we run the events.
Children participate in a range of competitions within the local cluster. This includes hosting and staffing the Year 1 and Year 2 football matches. Also includes rounders and multi-skills.	£1,200 for additional staffing costs and transport.	A greater number of children are able to represent their school in a sporting fixture.	Dependent on future funding.

Meeting national curriculum requirements for swimming and water safety	Not applicable (Year 6 only)
